Napa Valley

CABERNET SAUVIGNON

2002

VINTAGE: The 2002 vintage saw frost in April and then summer brought a long, mild growing season with warm days and cool nights—perfect for fine winegrowing. In late September and early October we experienced some heat spikes that sped up harvest. By carefully monitoring the grape maturity, we picked the grapes when they were perfectly ripe.

VINEYARD: Our Yountville vineyard forms the backbone of our Napa Valley blend. The Cabernet here is the Inglenook clone on St. George rootstock. Primarily dry farmed, these vines have pushed their roots deep into the rocky soil, which provides excellent drainage and creates intensely-flavored grapes. By blending wine from Yountville with wines from our Rutherford and Calistoga vineyards, which are all farmed organically, we create a complex Cabernet Sauvignon with a distinctive personality.

THE WINE: At Grgich Hills, we believe winemaking is an art. Since we began in 1977 we have earned a reputation for consistently producing wines with quality, balance and longevity. In the glass our 2002 Cabernet Sauvignon's deep color promises rich flavors—and it delivers with cassis, blackberries and just a hint of earthy truffles and cedar. In the mouth, the wine is well balanced between acid and tannin and the smooth, velvety finish offers a touch of pepper. Enjoyable upon release, this is a wine that will gain even more complexity with some bottle age. The wine's fine structure and rich flavors make it perfect with grilled and braised meat dishes and hearty cheeses.
