CABERNET SAUVIGNON

Napa Valley

Under the guidance of Mike Grgich and his talented team of winemakers, our Cabernet has gradually developed a distinct style of its own which has become fully evident in this 1996 offering. A rich, enticing aroma with high notes of ripe fruit and subtle oak lead you to an exquisitely well-balanced, mouthful of rich Cabernet Sauvignon flavors. To add more complexity, we blended with small amounts of other wines, including 5% Cabernet Franc for extra color and bouquet and 9% Merlot to soften and enhance this Cabernet. Silky tannins will coat your mouth to remind you of this wine's future promise. However, it is seductively drinkable right now.

Issue #75

"Complex and very well balanced, this Cabernet is somewhat toasty and oaky in style, yet has good depth of fruit and a very long finish. Excellent."

4 STARS = Excellent quality for its type, style, and price. Among the very best of its type for its price. Highly recommended.
