CABERNET SAUVIGNON

Yountville Selection
Napa Valley

We are especially proud to release this 1997 limited-production Cabernet Sauvignon, produced from our prized Yountville vineyard. Derived from what wine aficionados have dubbed the "vintage of the century," this wine is truly a collector's item. This pure Cabernet will continue to improve for at least a decade, and maintain its quality far beyond that, but is already showing its considerable promise and rich, sensual appeal.

This elegant Cabernet is deep ruby red in color and offers up an intense bouquet with accents of currant, cedar, chocolate, and strawberry.

The wine bursts upon the palate with sumptuous flavors of blackberries, cherries, figs, and a touch of spicy French oak. Full-bodied, with beautifully balanced tannins, this 1997 Yountville Selection Cabernet ends with a long, silky finish that is oh-so luxurious. Hurry and add some to your cellar before supplies run out!
