

# GRGICH HILLS

*Late Harvest*

## JOHANNISBERG RIESLING

1985

**T**his wine was produced from Napa Valley grapes in which "Noble Mold" (Botrytis) has concentrated the sugars, acids, aromas, and flavors. This delightful wine begins sweet in the mouth, but due to a good acid, it has a mellow, velvety finish. Young and elegantly light, this Late Harvest Johannisberg Riesling is the perfect dessert wine to be enjoyed with fruits and pastries.

The grapes for this wine were picked at 28 degrees Brix with a residual sugar of 10%. The total acid is 10 grams per liter, and the alcohol is 10% by volume.
